**Subject:** Waymo: Meet and Confer Follow Up

Max,

Thanks for following up on your question regarding RFP 53. The RFP asks for documents relating to “when” Waymo began investigating the possibility that Levandowski took Waymo files with him when we resigned. We stated in our response that date was July 29, 2017. We subsequently clarified on the July 1 meet and confer and in written correspondence that was a typo and the date was July 29, 2016. If you would like us to serve a corrected response to that RFP fixing that typo, please let me know. In our written response, we also said that the July 29, 2016 communication is on our privilege log. When we met and conferred last Thursday, I said that we would produce or log the communication relating to the date we’d provided. To be clear, as stated in our written responses, we have already logged that document. Thus, our response to this RFP is complete.

With respect to RFP 119, Waymo will produce a representative sample of vendor and supplier agreements.
